

Presbyterian Coalition Meeting Minutes

Habitat for Humanity of Orange County Board Room

January 22, 2020 | 6:30 – 8:00 PM

Fullerton

- **Dedication Day**
 - We showed photos of Dedication Day of the families with their keys, new homes, and refurbished cars generously donated by Neighborhood Builder AAA.
- **Phase II**
 - Framing Day was on Saturday, January 11
 - We showed photos of Framing Day. It was also a much smaller occasion than past Framing Days because a lot of Phase II families have already started their sweat equity with Phase I construction.
 - **First Presbyterian Build Day of the year is THIS Saturday, January 25**
 - VolunteerHub
 - We have now gone completely digital! → There is a single landing page (sign-up link) for ALL build days and a kiosk (ipad) to sign in at the construction site.
 - NO MORE JOIN CODE! Since we are now using the same landing page for each group, it should make it easier: Each coalition's landing page displays all of their upcoming volunteer shifts. A volunteer (you guys!) can now visit the landing page and sign up for any upcoming shift.
- **Hospitality/Lunch Bunch**
 - Encourage your fellow parishioners to bring refreshments for breakfast or to kindly provide lunch to our hardworking crew and volunteers.
 - Saturday, January 25 Build Day
 - **Hospitality: we currently have no one bringing morning refreshments.**
 - Lunch Bunch: Diane Beason
